There are two methods by which you can ship your exhibit materials and/or equipment to the Strictly Sail Show.

**1) TARGETED/DIRECT SHIPMENTS: *Beginning January 24<sup>th</sup>***

Exhibitors shipping exhibit material, or boats direct to Navy Pier should schedule the arrival on or after the Monday the 25<sup>th</sup> of January. There will be no freight service before this date. Navy Pier has no storage facility to receive direct shipments that arrive prior to the 25th. If necessary, send materials to the ADVANCED SHIPPING WAREHOUSE.

**It is imperative that your company driver or contracted carrier be scheduled to arrive on your check-in date and time.**

**2) PRE-SHIPMENTS TO WAREHOUSE: *Beginning December 30<sup>th</sup>***

You may pre-ship your exhibit materials and equipment to the advance warehouse where it will be stored at N/C for 30 days. This service includes 30 days free storage prior to the show, transport to Navy Pier loading docks, and delivery to your exhibit space. Your empty crates will then be stored and returned to you at show break. Once repacked, your materials will be loaded directly onto your vehicles or outbound carrier at the Navy Pier loading docks.

**All this is done at NO CHARGE to you; Show Management pays for all equipment and labor costs.**

## FREIGHT DESK

Show Management will be handling all freight shipments once they arrive at the show. All freight inquiries should be directed to the Freight Desk, which will be located next to the Show Office at the east end of the hall.

## OUTBOUND SHIPPING

Be sure to properly label all materials for shipping, prepare bill of lading, contact your carrier and leave a copy of the bill of lading at the freight desk. ABF Freight Systems, the "Preferred Carrier" will have a representative available at the close of the show to assist you with shipping with ABF. If you are shipping by another carrier, make sure your driver reports to the freight desk to coordinate the loading of your freight. If you're using another carrier you must make all arrangements.

## IMPORTANT SHIPPING NOTES

Any exhibitor shipping via UPS, Fed/Ex or other carrier besides the "Preferred Carrier," must make their own arrangements for pickup. Neither Show Management nor its contractors can make these arrangements for you. Make sure you contact your carrier to make sure your shipment(s) are picked up by the specified times listed in the Exhibit Removal section below. **If your carrier does not pick up by 3pm Monday the 31st your freight will be forced out by ABF at your expense.**

## EXHIBIT REMOVAL

All exhibits must remain staffed and intact until the official show closing at 5pm on Sunday January 30th. Once the public has safely left the show floor and the aisle carpet has been removed, empty crates will be returned to your space. Any vehicle needing access to the show floor will be able to do so once you receive a hard card with the designated time you are allowed on the floor. Hand carried items may leave the floor after 5pm Sunday. You must wear your exhibitor badge to hand carry items off the show floor.

**All Exhibit Materials must be off show floor by 3pm Monday January 31st. Please plan accordingly. Any Exhibit Materials left after that time will be shipped on ABF at your expense.**
