Strictly Sail Chicago is the nation's largest indoor all-sail boat show and the only all-sail sales event in the Midwest. A "must-attend" event for sailors from all over the Midwest, the show features the latest in sailboats, sailing gear, accessories, hardware and accessories.

Produced by NMMA (National Marine Manufacturers Association) the show is supported by a strategic mix of broadcast, print, Internet, e-mail, social media and public relations that drives qualified traffic through the gate. The 4-day event features more than 200 sailing seminars and is an effective way to reach thousands of motivated, affluent sailing consumers.

STRICTLY SAIL CHICAGO

Official Show Guide

This year we are pleased to announce a brand new, exciting element to the Strictly Sail Chicago Show

THE PRODUCT:

The Official Show Guide will be 8.25" by 10.75", from 64 to 200 pages with gloss covers and a perfect bound (hard spine). This upgraded show resource will include everything attendees need to know about the show including:

- Seminar schedules
- Floor plans
- Show features & attractions
- Quality editorial to help buyers decide how and where to spend their money

It's the only platform that lets you reach the audience on the show floor. A free copy of the Official Show Guide will be available to attendees at the main entrances and in high traffic areas within each show.

THE CONCEPT:

The Official Show Guide is a valuable tool that enables attendees to plan their visit, navigate the show easily and make the most of their time at the show. With editorial content covering every segment of the industry, new product launches, previews and reviews, this is the industry's most comprehensive show guide.

The Official Show Guide is also an invaluable post-show resource which attendees keep and refer to after the show closes: on average, 45% of attendees keep the show guide for up to six months.

ATTENDEE PROFILE:

- 79% own a boat
- 65% planned to purchase a boat soon; 6% actually purchased a boat at the show
- 88% attended the show to shop for accessories
- 65% had a household income of \$75,000 or more

ADVERTISING RATES:
